

MaxThera

Beating Antibiotic Resistance by Design

Directions to MaxThera's Office and Laboratories

From I-95 North/ Route 128 North:

Follow I-95 North (Route 128 North) until I-95 and Route 128 split. Stay on Route 128 North (toward Gloucester). Take Exit 22E (Route 62 to Beverly) and turn right on Route 62 (Elliott Street). Stay on Route 62 for approximately two miles and turn into the Cummings Center on the left, across from a McDonald's.

Enter the parking lot and park near the first building on the right (100 Cummings Center). Enter the building through the door labeled 100L. Walk to the end of the corridor and turn right. Take the elevator on the right to the fourth floor, exit the elevator to the right and proceed down the corridor. MaxThera is located on the right, in Suite 406D, down a half flight of stairs.

From Downtown Boston:

Follow I-93 North to I-95 North (Exit 37A) and follow directions from I-95 North / Route 128.

From Logan Airport:

Follow the airport exit signs leading to Route 1A North (signs for Revere/Lynn) for approximately 2.5 miles to route 60 West. Take Route 60 West for approximately 2.0 miles and take exit from roundabout to Route 1 North. Follow Route 1 North for approximately 8 miles, onto I-95 North / Route 128 North and follow directions from I-95 North / Route 128.
